Welcome to CRDG Summer Programs 2018!

Our Summer Adventures A students are enjoying their first week of summer with an exhilarating week of activities.

The Challengers students explored a cave at Maunalaha Trail, swam at Magic Island, paddled an outrigger canoe at Maunalua Bay and so much more.

The students in our new Explorers and Seekers classes engaged in PE STEM, Science, Art, and Reading/Writing activities around the theme of water. They made salt water koi fish, experimented with rock candy, played soccer, and, of course, ended each day by getting wet with water play.

Next week, we welcome our Core Programs students for 5 weeks of summer excitement and exploration!

CONSTRUCTION ALERT
We were recently notified that the University of Hawai‘i has scheduled construction on our campus this summer. The construction zone will be barricaded, and our classes are not next to the construction area. There is a chance that construction vehicles may block access to our parking lot. For now, no changes will be made to the pick-up/drop-off procedures, but if that changes we will notify you. We are still waiting to receive a schedule from the contractors. Other than increased noise, we do not expect the construction to have a huge impact on the classes or students directly, but we will notify you of any changes as soon as we receive the information. If you have any questions or concerns, please feel free to contact us.

PICK-UP AND DROP-OFF PROCEDURES
Please read and be familiar with the pick-up and drop-off procedures detailed in the student handbook. Please note that we only have a small window of time allotted for pick-up and drop-off, so please be courteous and have your child ready to depart immediately once you pull up to the loading zone. Due to the construction on campus there may be additional delays.

See the Student Parent Handbook for more information or contact us at 956-8176.
STUDENT HANDBOOK
We hope that you had time to review the Student/Parent Handbook. If you didn’t receive your copy yet, you can pick one up at either of our Summer Programs Offices.

RELEASE FORMS
If you have not already done so, please turn in your child’s liability, internet (AUP), photo consent, and transportation release forms as soon as possible. If you need another copy, please visit the Student Services Office.

PHOTO GALLERY
Please take some time to visit our CRDG Summer Programs Photo Gallery. Head to our website and click on the Photo Gallery & Parent Info link (www.hawaii.edu/crdg/sp). We will post photos from our class activities each week.

WEEKLY NEWSLETTER
During Core Programs, a weekly digital newsletter written and put together by our talented Little Journalists students will be emailed to you. In addition to articles on our classes and students, the newsletter will contain updates, the field trip calendar, and other important announcements so please check it out each week!

*Newsletters, updates, and any other important information will be sent to this email address. To subscribe with another email address, please contact us at crdgsum@hawaii.edu.*

CALENDAR
As a reminder, Summer Programs will not hold classes on the following holidays:
- Kamehameha Day – June 11
- Independence Day – July 4

### Field Trips for Core Programs, week 1

<table>
<thead>
<tr>
<th>June 11</th>
<th>June 12</th>
<th>June 13</th>
<th>June 14</th>
<th>June 15</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>HOLIDAY</strong></td>
<td>First Day of Classes</td>
<td></td>
<td>HNS: OBSERVERS, EXPLORERS, &amp; RESEARCHERS</td>
<td></td>
</tr>
<tr>
<td>NO CLASSES</td>
<td>- Parent and Student Orientation</td>
<td></td>
<td>Plant Tissue Culture Lab (UHM Campus)</td>
<td></td>
</tr>
</tbody>
</table>

Students are required to wear covered shoes and SP shirts on field trip days. Students without covered shoes will remain on campus. Refer to the handbook for more details.

HOME LUNCH
This is just a reminder that food service is NOT provided, and students are not allowed off campus to purchase lunch.
If you have any questions or concerns, please feel free to contact us at 956-8176 or crdgsum@hawaii.edu.

We Look forward to a fun and educational summer!
